Mrs. Forgione	Addisyn Lange
Mrs. Lamphere	Mya House
Mrs. Bidlack	Savionne Dillard
Mrs. Novak	Trinity Smith
Mrs. Wood	Summer Kinney
Mrs. Chapin	Ellerie Whitt
Mrs. Fosmoen	Emma Champine-Smith
Mr. Back	Bre Fantin
Mr. Bush	Aayden Carrow
Ms. Morris	Landon Ndreka

Clothes for Cold Weather

During the winter months, children **should** be dressing according to the weather outside. If we should have to evacuate the building for any reason, students would not be allowed to stop to get their coats. We would work as fast as possible to get them another safe and secure location, but during that time they could be exposed to the cold weather with no coats or hats. Sweaters and sweatshirts therefore are encouraged. Please help us keep your child as healthy as possible.

Also, we would appreciate having a change of shoes/boots for the students, one pair for outside and one pair for the classroom.

It would be very helpful if all clothing would be labeled also.
Thank you.

LCS Attendance Policy for Elementary Schools

Michigan State law requires that all students between the ages of 6 and 16 attend school on a regular and consecutive basis. Regular and consecutive has been defined by the court as meaning every day, on time, unless excused for a medical reason or an attendance exception.

Elementary principals send home a **letter to parents** and guardians of children when they are absent or miss instruction (either tardy or leave early) **eight times**. A **second letter is sent at 13 absences or missed instruction** (either tardy or leave early). Under state law, truancy referrals can be made for students with excessive absences or tardiness: (10) absences or (20) am or pm tardies.

The principal carefully reviews all attendance and missed instruction letters before being mailed home. The administration will provide exceptions to the policy for medical reasons, by physician. When a child goes to the doctor, the parent is strongly encouraged to provide written documentation that the child was under doctor's care; written documentation will be kept on file for the current school year.

Leadership Skills

This year at Mayfield we continue to emphasize and discuss the following Leadership Skills:

- Take Charge of Yourself
- Be Goal Oriented
- Prioritize
- Focus on a Win-Win Solution
- Take Time to Listen
- Be a Team Player
- Nurture Yourself and Others
- Find Your Voice and Inspire Others

Throughout the year, we have had several guest speakers from the community come and speak at our bi-weekly assemblies. We've had police officers, a high school teacher/former Detroit Lions player, and a representative from a local credit union. Each guest speaker has talked to the students about how they use these Leadership Skills in their daily life at home and at work. We encourage you to ask your student about what these skills mean, and to acknowledge your student when you see them using a Leadership Skill at home.

Jump Rope for Heart

Millions of Americans live with heart disease, stroke or a cardiovascular condition. Your donation will help us save and improve their lives with research, education and emergency care.

You're Invited to Help Save Lives

Help achieve our goal of growing heart-healthy habits and potentially helping to save hundreds of lives this year! Every donation makes a difference to the AHA's lifesaving mission. With your donations, our school can also earn PE equipment.
