Student Placement Request Form

Based upon their knowledge of each student, building staff members work as a team in the placement decisions for the coming year to ensure balanced classrooms. Our goal is for your child to receive a placement that best meets the needs of their learning style. Factors considered when making student placement decisions include, but are not limited to the following:

- Academic ability
- Special instructional support needed
- General work habits and behavior
- Peer Relationships
- Ratio of males to females

If you feel your input would be helpful in making the best possible placement decision for your child, please provide us with information by May 13th. It is important that your requests are considered before the classroom placements for the next school year are completed. While the information you are submitting is taken under careful consideration, it is impossible to grant all requests for placement. Our goal is to have all classrooms with a well-balanced mix of learning styles and personalities.

Please complete this form no later than May 14th and return to the main office of your child's school. Student Placement Request forms are available in the school office or on the District website: under the Parent Tab - under Forms.

Looking Ahead...

June 4

Grandparent's Day

This will be our 20th Grandparent's day. E-5 through fifth grade will celebrate with their grandparents on Thursday, May 24. Please plan to come and enjoy a picnic lunch and enjoy time with your grandchildren! See the great school they attend!

Watch for more information. We have sent a flyer with the RSVP for you to return. We don't want to run out of food.

Address Changes

PLEASE NOTE: To help keep our records up-to-date, please pick up a change of address/phone number form from the office for any changes in your address or work/home/cell phone numbers. Two proofs of residency (piece of mail or changed driver's license) must be attached for a change in address. This will help start the school year next fall with the most current information. Thank you.

Medication

Please plan to pick up any medication, including cough drops, you have brought into the office before June 20. We do not keep medication from year to year. Thanks for making the extra stop in the office to take care of this. Have a great summer!
