Mayfield Parents –

Mike Goetz, current Mayfield Elementary principal, has requested and been approved to transition into the classroom as a teacher starting in the fall. He will remain in his role as principal for the remainder of the school year. We thank Mike for his five years of service to the students and staff at Mayfield. Please join me in wishing him the best in his return to the classroom.

We are excited to announce that Sara Taylor, LCS District Learning Coach, has been selected to fill the Mayfield Principal position for the 2018-19 school year. Sara has over 20 years of experience working in the District as both a teacher and learning coach. During her time with LCS, in addition to her work in these roles, Sara has also served as the Elementary Summer School Director and as an educational consultant for the Lapeer County Intermediate School District.

While Sara will officially assume the role of building principal on July 1, she will begin to work with staff in the building to support the transition process in the coming weeks. She is very eager to begin building relationships with the staff and all of our Mayfield families.

Please join me in welcoming Sara Taylor to Mayfield Elementary!

Sincerely,

Matthew T. Wandrie  
Superintendent  
Lapeer Community Schools
